EXPERIENCE

Design Director, The Avenue Magazine (*student publication*)

Boston, MA | Aug 2018–present

Lead and empower a team of six designers and illustrators. Collaborate weekly with other members of the executive board and translate creative vision into printed design. Direct collaborative critique workshop sessions. Communicate with publishing company and prepare a 70-page editorial for print two times each semester.

Scout (*student-led design agency*) | Boston, MA

Conference Designer

Jan 2019–present

Create print and web collateral to promote the Interventions design conference. Work closely with conference director to establish and execute a design voice. Establish overall strategy and vision for the future of the conference.

Marketing Designer

Aug 2018–Dec 2018

Promoted bi-weekly speaker series events through posters, animation, and social media collateral. Worked with marketing and design directors to expand the organization's creative voice.

Studio Designer

Jan–April 2018

Worked in a highly collaborative, agile studio environment with designers and developers to create a brand identity for a small startup. Designed logo, packaging, illustration, web animation, and brand guidelines. Attended weekly meetings with clients and internal team.

Planetarium Presenter, Carnegie Science Center

Pittsburgh, PA | Aug 2015–April 2017

Worked as a presenter and educator at the Carnegie Science Center in Pittsburgh, PA. Ran educational shows in the dome, gave science presentations in the outside lobby, and performed laser shows for large crowds.
